Mack Molding

And more to come:

- Hire an assistant (in May) with onboarding and training through the summer
- Create new bi-weekly OWSD communication for board members and the website
- Begin implementation concepts for creating the OWSD “clearinghouse” at the website to braid all workforce development efforts and partners throughout the state
- Continue partner outreach across the state, with upcoming events already scheduled:
 - Southern VT Economic Conference – 5/20
 - Bring Back the Trades Event – 5/20
 - SkiVermont Annual Meeting – 6/5
- Work with ADS and other state agency partners to draft Data Trust report due to the Legislature in December (May-October meetings)
- Create the Workforce Strategy Roadshow to visit regional economic development organizations and employers (June-October)
